**Surf Sounds Exhibit Part 2: Featuring Jan & Dean, French Artist Celine Chat  
Plus New Dick Dale Tribute Wall**

## **HBISM PRESENTS: Surf Sounds Part 2 Featuring Jan & Dean "Surf City here we come!" - - - - -lyrics to the No. 1 hit "Surf City"**

The Huntington Beach International Surfing Museum is proud to announce we will be honoring Surf City's music sensations Jan Berry and Dean Torrence, who performed as the music duo Jan and Dean, with a year-long exhibit beginning Sunday **April 20, 2008**.

Highlights of the exhibit include:

- A real working juke box from the 1960's donated by Roger & Paulette Peterson playing all of Jan and Dean's hits including "Surf City", "Honolulu Lulu", "Drag City", "Deadman's Curve", "Little Old Lady From Pasadena", "Ride The Wild Surf", "Sidewalk Surfin'" and many more.
- 8 Foot Surf board featuring Jan and Dean on it
- Memorabilia spanning decades, including keys to hotel rooms gifted to Jan and Dean from cities in 42 states and 4 different countries around the world. Come look at the map to see if your town was visited by the infectious duo who sang upbeat songs about unfettered youth, sandy beaches, beautiful girls, fast cars, surfing and skateboarding.
- The Evolution Of The Skateboard with a picture of the Great Wall of China, which Dean Torrence rode on a skateboard
- Women Who Surf
- Surf Theater playing the 1978 movie "Deadman's Curve"

Special Events Director Linda Miller arranged for the Surfin Sundays concert to feature The Surftones playing a tribute to Jan & Dean. And of course, Dean Torrence will make a personal appearance to sign autographs and have some fun with your entire family. A Dick Dale Tribute Wall has been added. Food and refreshments are free. Come join us for this special event!

## **HBISM PRESENTS French Artist Celine Chat's Surf Art**

"I paint in front of the wave in a tent, bungalows, whatever. On canvas, paper, pieces of wood with acrylic, oil, watercolours, depends the feeling I want to create". Alive, vibrant, energetic and colorful, Celine invites you to join her on Sunday April 20, 2008 at 2:00 Pm as she makes her Southern California debut with the opening of her exhibit entitled "Sharing Perspective".

Celine Chat has a dream lifestyle; traveling the world to surf and painting in front of the wave. So it's no wonder the spirit of surfing is present in each and every one of her paintings.

Born in the south of France, the 31 year old artist has experienced the last 10 years of her life "on the road" traveling and gaining inspiration for her art along the way. The Philippines, Indonesia, Australia, Mexico, Madagascar, and Spain are a handful of the places she has been. Her most recent trip was to Brazil, where she was invited to exhibit her collection at the 4<sup>th</sup> annual International Exhibition of Art and Surf Culture. Last year she participated in the Roxy Jam, a Surf Art Exhibit in Biarritz, France.

Her work is described as figurative and dramatic. Her use of color allows you to feel an atmosphere and capture an emotion. Come see the canvas come alive as this beautiful artist will only be with us for a short time, but her work will be on display throughout the summer.

**Embrace the spirit of the music as Surfin Sundays begins with The Surftones April 20<sup>th</sup>**

### SECRETARY/SPECIAL EVENTS DIRECTOR'S EYE VIEW

In February our "Surf City USA" Marathon was ushered in by one of the worst rainstorms in the history of HBISM's 12 years hosting this event. In spite of this we were thankful to have our bands toughing it out to give the runners a greater incentive. Thanks goes out to The Fabulous Nomads, Outer Wave, The Relix, The Goofyfoots, as well as Billy Blastoff & The Surf Rockets for their efforts and perseverance. Thanks also to our Chairwoman Jodi Mc Kay, her husband Rick, Public Relations Director Chris Mac Donald, his father Craig and my dearly beloved husband John Miller for supporting this great event. Thanks to the City of Huntington Beach for allowing the event to take place in this fair city and to Kinane Events for giving us the opportunity to feature some of our great bands.

We are working our way towards the Jan & Dean/Celine Chat Arts Exhibit Grand Opening during the 12<sup>th</sup> Annual Surfin Sundays concert program April 20<sup>th</sup> from noon till 4 Pm. Featured band will be The Surftones, joined by special guest Dean Torrence, followed by a full blown jam session and other exciting prospects yet to be announced. If you liked phase one with the Beach Boys you're going to love phase two with Jan & Dean's memorabilia. Also featured on this day will be the new Dick Dale Tribute wall surrounding his California guitar currently on display.

Surfin Sundays is shaping up nicely with a great lineup of new sounds, oldies but goodies, traditional surf music, the more modern style, legends and out of town guests. Once again we will be featuring 6 bands in 6 hours at Pier Plaza April 27<sup>th</sup>, June 1<sup>st</sup> & Aug 3<sup>rd</sup>. Our parking lot museum concerts have been extended by one hour to accommodate 2 or 3 bands at each event, allowing us time for guests and the occasional food and beverage receptions the audience so dearly loves. The Surf Drum Dvd is well on its way to being finished and ready for distribution this summer. We are trying to stock our gift with the latest Cd's and merchandise to your liking.

We have a 30<sup>th</sup> Big Wednesday Reunion fundraiser planned for Sat. Sept 27<sup>th</sup> featuring not only a showing of the movie but we will have VIP access packages to wonderful memorabilia and celebrities. We will be featuring Ukulele Music from our local club for your listening pleasure as we serve special treats.

As many of you know my best buddy Dick Dale is once again fighting rectal cancer. He underwent 6 weeks of chemo & radiation treatments daily Mon thru Fri. Now he has rested and healed another 6 weeks from radiation & chemo. April 4<sup>th</sup>, 2008 his surgeons successfully removed a malignant tumor at Cedars Sinai in Hollywood and all things considered he is doing fairly well. He will have chemo afterward to finish up and then kick back and heal. Then he will go back into reconstructive surgery and more chemo. He then plans to go to Hawaii and surf. Dick has remained active and very positive throughout this ordeal. He wishes to extend humble thanks for all the support and prayers over the past 3 months. We wish Dick a speedy recovery and look forward to his next concert.

Linda Miller**
